IMPORTANT: It is not possible in a publication of this sort to do more than convey a general impression of the variety and quality of the properties available. All illustrations, photography, plans and layouts are included for general guidance only. We operate a policy of continuous product development and consequently there may be material differences evident between the accommodation depicted and that on offer at any particular development (or at any particular stage of the construction schedule). Our showhomes are designed to provide a more tangible impression of what your new home could be like, and you are invited to walk around and inspect these at your leisure. You should bear in mind, though, that they are not a 'blueprint' and that they only illustrate what can be achieved. Showhomes sometimes include non-standard items, for example, and you may wish to add specific furnishings and fixtures to your own home. Our new homes advisors have been fully briefed to deal with any enquiries you may have about the range of properties available. Please do not hesitate to seek further information or clarification directly from them.
